## CHANGING YOUNG LIVES FOUNDATION GALA DINNER

Some 350 revellers gathered at the Conrad Hotel for the annual fundraising dinner of the Changing Young Lives Foundation, which was hosted by co-chairs Jane Chao-Lee, Yvette Ho, Thomas Ho and Angie Ting. The theme was Prom Night, which brought out many show-stopping ensembles, notably on Antonia Li, Feiping Chang and Jaime Ku, and the title sponsor was Fancl. The night was not short of entertainment, with a variety of musical and dance performances by children from the foundation's Learning Centre and Youth Ambassadors Programme. A highlight of the event was the presentation of the Civic Leadership Awards. Jim and Sally Thompson were honoured in the philanthropy category for their extensive contributions to the community and being early supporters of the foundation. Alman Chan received the education award in recognition of the anti-drug programmes he has introduced to more than 400 schools and 350 organisations and government agencies. All funds raised on the night will go to the foundation's Learning Centre and its education outreach programmes.
